About Us

Welcome to College of Agriculture
Business Management.

Agriculture business Management has a big role to play in Indian economy as agriculture is the main part of Indian economy. Indian agriculture is rapidly changing due to globalisation, competitive environment and changing role of government.

Agriculture business Management is application of Management principles for Agriculture. The work of agri-business managers is to contribute substantially to the development of diverse activities in this sector.

www.abm.mhfngo.org

Our Objectives

To prepare the students for managerial and entrepreneurial careers in enterprises serving in agriculture and allied sectors.

To impart the education and training to the students for taking up the responsibilities for managing agro industries.

To promote the agriculture marketing and management.

To educate the rural youth in respect of scientific agricultural technology.

To motivate the rural youth from traditional practices to hi-tech technology.

Problem solving, work experience, training and learning methods are the specific features.

To educate the students regarding efficient management of the limited resources to get maximum returns.
