FORM PRESIDENT'S DESK

What is really needed to make democracy function is not knowledge of facts but right education.

Mahatma Gandhi

M. H. Foundation is dedicated to the nation building on a firm foundation of education to the children right from Nursery to Graduation.

However, Quality education has become the opportunity of a privileged few. Greatly pained by the lack of equal opportunities to all in society, MHF has embarked upon a mission to provide quality education.

I am confident that all the citizens especially parents who are associated with as will extend their co-operation to make the dream a reality and success there by contribute to our nation building.
